

Auburn Senior High School

Classes Connected to Career Interest

Student Name: _____

In your Senior Portfolio Project, you need to state what your career goal is (following any additional schooling such as college, community college, technical school, apprenticeship, or military training) and identify what classes you have taken which relate to this choice.

My career goal is: _____

List at least two classes that you have successfully completed that are related to this goal.

List any other classes that you have successfully completed that you feel also pertain to your career goal.

Name of course	Date class completed
